We are happy to welcome you to our family of patients.

We pride ourselves on making dentistry a pleasant experience for you. We are committed to providing you the best dental treatment possible. In our office, we strive to always give you superior service and friendly help. We take time to listen and understand you and your dental needs, and explain all procedures to your satisfaction.

During your initial visit, which is approximately 2 hrs, the dentist and/or assistant will take the necessary x-rays, intraoral pictures, and discuss your dental concerns. This time, as well as all future appointments, are set aside exclusively for you. For this reason, it is important that all appointments are kept.

Thank you for selecting us as your dental practice. We look forward to meeting you and having you become a part of our dental family. If you have any questions, Please feel free to call us. We look forward to seeing you soon.

Sincerely,

Dr. Bob Leedy, Dr. Nikki Green & Staff
